History

#1 - 04/20/2014 11:18 PM - Jamie Pate

Investigated replacing with ffmpeg vvmpeg or libav but cross compiling the lgpl dlls is hard.

libvlc has now been converted to lgpl so just upgrading to latest version.

#2 - 04/20/2014 11:26 PM - Jamie Pate

Eliminated unnecessary duplicate cab file.
moved libvcl into it's own directory in installer.
